EXECUTIVE ORDER NO. 6

Series of 2011

Pursuant to DENR Administrative Order 1992-26, all industrial and commercial establishments, private entities, including all provincial, municipal and city government units whose activities are potential and actual sources of air, water and land pollution, are required to appoint/designate a Pollution Control Officer (PCO) to address compliance of above concerns.

Now therefore, I, **FORTUNATO R. ABRENILLA** *Municipal Mayor of JAGNA, Province of Bohol*, by virtue of the powers vested by law do hereby designate

CALFORO B. MANGYAO

as

Designate Municipal Pollution Control Officer

Functions of the Municipal Pollution Control Officer

- Implement devolved functions to LGU and/or coordinate the pollution control and prevention activities within the city, municipality or province, including environmental protection activities such as solid waste management, construction and maintenance of sewer systems, and other pollution control activities. Consistent with the provisions of the Local Government Code, the officer can seek assistance from the field offices of DENR regarding violations or non-compliance with the pollution control requirements and rules and regulations;
- Upon verification that pollution control requirements are complied with, recommend the filing of all applications for building and/or business permit in coordination with municipal, city or provincial development staff or engineering office for pollution permit applications and application for location and zoning clearance, particularly on manufacturing, industrial and commercial establishments.
- Cooperate with national/regional officials of the Department in the enforcement/implementation of environmental protection and pollution control laws, rules and regulations.

This Executive Order shall take effect upon issuance.

SO ORDERED.

Issued this 5th day of April 2011 at Jagna, Bohol, Philippines.
